

## **DEVICE PROTECTION PLAN**

The BCSS recognizes that with the implementation of the Device initiative, there is a need to protect the investment of the district and the interest of the students and parents. The following outlines three options available to families. (Families MUST report an option of Device protection. Until the report is returned, the BCSS will list your family as "No Insurance", and families will be responsible for the full repair/ replacement costs of a damaged Device.)

No Insurance	
	y student's Device. I agree to pay for the replacement or amaged in any way. Replacement screens can run Air to repair on average
Personal Insurance	
responsible for full payment for replacemen received from my insurance company plus a	ty own insurance policy. I understand that I am tor repair and that I agree to pay the District the amount any additional amount needed to cover the Device ce to the School before the Device can go home.
<b>School District Insurance</b>	
	otection plan provided through Worth Ave Group. Sign irectly with the company - website will be provided on
This annual coverage begins upon receipt of year. Costs for repair/replacement of this Pro	f the payment and ends at the conclusion of each school otection Plan will be:
• iPad Air \$64.81	
• Mac Air \$80.53	
There is no \$0 deductible for each repair.	
Student Signature:	Print Name:
	Print Name:
Anyone with outstanding device repair/rep	lacement fees cannot take a device home.
	her CRIMINAL ACTS, a police/fire report MUST be filed.

Students/parents are responsible for full payment of INTENTIONAL DAMAGES to Devices.

ACCESSORIES (case, zipper, charger block w/plugin and extension cord are not covered under the protection plan and will be charged at cost of replacement for damaged items. Neither warranties nor School District Protection cover intentional damage done to device.
