

Bosco Catholic School System Acceptable Use Policy: iPad Air/Mac Air Policy, Procedures, Information and Forms

Bosco Catholic School System (BCSS) 1:1 iPad Air/Mac Air Initiative

The focus of the BCSS iPad Air/Mac Air 1:1 Initiative is to provide tools and resources to the 21st-Century Learner. Educate, engage and empower for excellence has been our mantra to nurture this model of learning. Excellence in education requires that technology is seamlessly integrated throughout the educational program. Increasing access to technology is essential for that future, and one of the learning tools of these 21st-Century students is the iPad Air/Mac Air. The individual use of iPad Air/Mac Air is a way to empower students to maximize their full potential and prepare them for college and the workplace. Learning results from the continuous dynamic interaction among students, educators, parents and the extended community. Technology immersion does not diminish the vital role of the teacher. To the contrary, it transforms the teacher from a director of learning to a facilitator of learning. Effective teaching and learning with iPad Air/Mac Air integrates technology into the curriculum anytime, anyplace. The policies, procedures and information within this document apply to all iPad Airs/Mac Airs used at BCSS, including any other device considered by the administration to come under this policy. Teachers may set additional requirements for use in their classroom.

1. RECEIVING YOUR iPad Air/Mac Air CHECK-IN

1.1 Receiving Your iPad Air/Mac Air

iPad Airs/Mac Airs will be distributed each fall during "iPad Air/Mac Air Bootcamp." Parents and students must sign and return the iPad Air/Mac Air Protection Plan and Student Pledge documents before the iPad Air/Mac Air can be issued. The iPad Air/Mac Air Protection Plan outlines three options for families to protect the iPad Air/Mac Air investment for the school district.

1.2 iPad Air/Mac Air Check-in

iPad Airs/Mac Airs will be returned during the final week of school so they can be checked for serviceability. If a student transfers out of the BCSS during the school year, the iPad Air/Mac Air will be returned at that time.

1.3 Check-in Fines

Individual school iPad Airs/Mac Airs and accessories must be returned to the BCSS Technology Office/Library at the end of each school year. Students who graduate early, withdraw, are suspended or expelled or terminate enrollment at BCSS for any other reason must return their individual school iPad Air/Mac Air on the date of termination. If a student fails to return the iPad Air/Mac Air at the end of the school year or upon termination of enrollment at BCSS, that student will be subject to criminal prosecution or civil liability. The student will also pay the replacement cost of the iPad Air/Mac Air or, if applicable, any insurance deductible. Failure to return the iPad Air/Mac Air will result in a theft report being filed with the Black Hawk County Sheriff's Office and/or Gilbertville Police Department. Furthermore, the student will be responsible for any damage to the iPad Air/Mac Air, consistent with the district's iPad Air/Mac Air Protection Plan, and must return the computer and accessories to the BCSS Technology Office/Library in satisfactory condition. The student will be charged a fee for any needed repairs, not to exceed the replacement cost of the iPad Air/Mac Air.

2. TAKING CARE OF YOUR iPad Air/Mac Air

Students are responsible for the general care of the iPad Air/Mac Air they have been issued by the school. iPads Airs/Mac Airs that are broken or fail to work properly must be taken to the Technology/Library Office for an evaluation of the equipment.

2.1 General Precautions

The iPad Air/Mac Air is school property, and all users will follow this policy and the BCSS Acceptable Use Policy for Technology. Only use a clean, soft cloth to clean the screen; no cleansers of any type. Cords and cables must be inserted carefully into the iPad Air/Mac Air to prevent damage. iPads Air/Mac Airs must remain free of any writing, drawing, stickers, or labels that are not the property of the BCSS. iPads Airs/Mac Airs must never be left in an unlocked locker, unlocked car or any unsupervised area. Students are responsible for keeping their iPad Air's/Mac Air's battery charged for school each day. Students are not allowed to add additional skins.

2.2 Carrying iPad Airs/Mac Airs

The protective cases provided with iPad Airs/Mac Airs have sufficient padding to protect the iPad Air/Mac Air from normal treatment and provide a suitable means for carrying the device within the school.

The guidelines below should be followed:

- iPad Airs/Mac Airs should always be within the protective case.
- When carrying the iPad Air/Mac Air in a book bag, extra weight must be kept to a minimum to avoid placing too much pressure and weight on the iPad screen and Mac Air in general.

2.3 Screen Care

iPad Air/Mac Air screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on the top of the iPad Air/Mac Air when it is closed.
- Do not place anything near the iPad Air/Mac Air that could put pressure on the screen.
- Do not place anything in the carrying case that will press against the cover.
- Clean the screen with a soft, dry cloth or antistatic cloth.
- Do not “bump” the iPad Air/Mac Air against lockers, walls, car doors, floors, etc., as it will eventually break the screen.

3. USING YOUR iPad Air/Mac Air AT SCHOOL

iPad Airs/Mac Airs are intended for use at school each day. In addition to teacher expectations for iPad Air/Mac Air use, school messages, announcements, calendars and schedules may be accessed using the iPad Air/Mac Air computer. Students must be responsible to bring their iPad Air/Mac Air to all classes, unless specifically instructed not to do so by their teacher.

3.1 iPad Airs/Mac Airs Left at Home

If students leave their iPad Air/Mac Air at home, they are responsible for getting the coursework completed as if they had their iPad Air/Mac Air present. If a student repeatedly (three or more times as determined by any staff member) leaves their iPad Air/Mac Air at home, they will be required to “check out” their iPad Air/Mac Air from the TechnologyLibrary Office for 14 calendar days.

3.2 iPad Air/Mac Air Undergoing Repair

Loaner iPad Airs/Mac Airs may be issued to students when they leave their iPad Airs/Mac Airs for repair in the Technology Office. There may be a delay in getting an iPad Air/Mac Air should the school not have enough to loan.

3.3 Charging Your iPad Air's/Mac Air's Battery

iPad Airs/Mac Air must be brought to school each day in a fully charged condition. Students need to charge their iPad Airs/Mac Airs each evening. Repeat violations (minimum of three days, not consecutively) of this policy will result in students being required to "check out/in" their iPad Air/Mac Air from the Technology/Library Office for 14 calendar days. An Administrator will deal with repeat offenders. In cases where use of the iPad Air/Mac Air at school has caused batteries to become drained, students may be able to connect their iPad Airs/Mac Airs to a power outlet in class.

3.4 Screensavers/Background Photos

Inappropriate media may not be used as a screensaver or background photo. The presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, gang-related images or pictures, or anti-Christian media will result in disciplinary actions. Passwords are not to be used.

3.5 Sound, Music, Games or Programs

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Internet Games are not allowed on the iPad Airs/Mac Airs unless for instructional use as directed by the teacher. All software/apps must be school provided. Data storage will be through apps on the iPad as well as storage on the Mac Air and through school-provided email. Earphones or earbuds are encouraged when the teacher permits sound.

3.6 Printing

Items will be sent to the teacher digitally. Printing will take place at the teacher's discretion.

3.7 Home Internet Access

Students are allowed to access home or public wireless networks on their iPad Airs/Mac Airs. This will assist them with iPad Air/Mac Air use while off campus.

Students may also use provided apps for cloud storage or backup to the schools file server. Storage space will be available on the iPad Air/Mac Air – BUT it will NOT be backed up in case of re-imaging. It is the student's responsibility to ensure that work is not lost due to mechanical failure or accidental deletion. iPad Air/Mac Air malfunctions are not an acceptable excuse for not submitting work.

4.2 Network Connectivity

The BCSS makes no guarantee that their network will be up and running 100 percent of the time. In the rare case that the network is down, the BCSS will not be responsible for lost or missing data.

5. SOFTWARE ON iPad Airs/Mac Airs

5.1 Originally Installed Software

The software/apps originally installed by BCSS must remain on the iPad Airs/Mac Air in usable condition and be easily accessible at all times. From time to time the school may add software applications for use in a particular course. The licenses for this software require that the software be deleted from iPad Airs/Mac Airs at the completion of the course. Periodic checks of iPad Airs/Mac Airs will be made to ensure that students have not removed required apps.

5.2 Additional Software

Students are not allowed to load extra software/apps on their iPad Airs/Mac Airs. BCSS will synchronize the iPad Airs/Mac Airs so they contain the necessary apps for schoolwork. Syncing iPad Airs/Mac Airs to personal accounts is not allowed.

If technical difficulties occur or illegal software, non-BCSS-installed apps/software are discovered, the iPad Air/Mac Air will be restored from backup. The school does not accept responsibility for the loss of any software or documents deleted due to a reformat and reimage.

5.5 Software Upgrades

Upgrade versions of licensed software/apps are available from time to time. Students may be required to check in their iPad Airs/Mac Airs for periodic updates and syncing.

6. ACCEPTABLE USE

The use of the BCSS technology resources is a privilege, not a right. The privilege of using the technology resources provided by the BCSS is not transferable or extendable by students to people or groups outside the district and terminates when a student is no longer enrolled in the BCSS. This policy is provided to make all users aware of the responsibilities associated with efficient, ethical and lawful use of technology resources. If a person violates any of the User Terms and Conditions named in this policy, privileges may be terminated, access to school district technology resources may be denied and the appropriate disciplinary action shall be applied.
